

PROPERTY DIARY

COUNTRY LIFE IN MONACO AND MAYFAIR

The COUNTRY LIFE property team has entertained clients at a series of celebrity lunches organised by Monaco-based Azur Productions. The season kicked off in Monte Carlo's Café de Paris where Andrew Neil gave us his take on the current political climate, then moved to Quaglino's in London's Mayfair where first, Private Eye editor Ian Hislop and more recently, the Rt Hon William Hague took to the stage.

For details about future celebrity lunches, visit www.azurproductions.com
